Little Steel Safes for Savings

The Security Trust Company, 148 East Market Street (immediately east of Law Building), loans to its depositors neat little banks, which the depositors take home. These banks have tumbril devices to prevent any one from "picking" the banks. The banks can be opened only at the Trust Company's office where the keys are kept. This plan helps depositors to overcome a temporary desire to spend part of their savings which they are keeping at home.

A DEPOSIT OF ONE DOLLAR WILL OPEN AN ACCOUNT
AND OBTAIN ONE OF THESE BANKS. INTEREST OF
THREE PER CENT. PER ANNUM ALLOWED & MONEY
CAN BE WITHDRAWN AT ANY TIME IN ACCORDANCE
WITH THE SAVINGS BANK LAW OF INDIANA.

CAPITAL STOCK, \$600,000

"NORWAYS"

DR. STERNE'S SANATORIUM FOR NERVOUS DISEASES

"NORWAYS" is strictly a sanatorium for the care and treatment of the sick. It is not a place for persons in search of amusement. The institution is composed of separate buildings and is thoroughly equipped in every particular. The grounds are extensive and beautiful. The cuisine is excellent. Every method of treatment of known value is employed by skilled attendants. Patients suffering from all forms of nervous disease, rheumatism, kidney troubles, the various drug habits, are accepted. The earlier stages of tuberculosis and other pulmonary maladies and those in need of the "rest cure" are especially treated. For mental affections an entirely isolated building is used. Such patients never come in contact with other patients.

TERMS. All charges are payable weekly, one week in advance. They range from \$25 to \$50 per week, depending upon necessities of treatment and location of room. Regular sanatorium rates include board, room, nursing, treatment and physician's fees. There are no extra charges, unless a special nurse (\$10 to \$15 per week) is demanded.

The first complete examination is \$10, whether a patient remain in the institution or not.

Out-door patients will be charged according to the treatment employed.

CARMENTS. Patients should wear comfortable clothing. No finery is advocated. Each person should have a bath or lounging robe.

Every patient must adhere to the printed rules and regulations of the sanatorium. These are posted in proper places about the buildings. No exception will be made to them in any case.

N. B. No person should be brought to the institution who is too weak to be safely removed from home. For further information apply to the Director. ALBERT E. STERNE, M. D.

The Union Trust Company is organized under a special law which requires a guarantee of ample financial responsibility, and establishes a state supervision. It must be examined twice a year by the Auditor of State, and may be examined any time he pleases. The safeguards of law thus thrown about it assure correct management. It is authorized to act as executor and guardian, administrator, assignee, receiver or trustee under wills or by appointment of court, and can do business more efficiently and economically than an individual. Its stockholders are liable for twice the amount of their stock.

It acts as agent and trustee in any matter of business, and as financial depository for corporations, firms and individuals.

It buys and sells securities, deals in county and municipal bonds, loans money on mortgage and collateral security.

It furnishes bonds for executors, administrators and guardians in any county in the state. It is a legal depository for court and trust funds.

Interest allowed on deposits of money, which may be made at any time.

GOOD Cuts have become essential to business success and the best are easily obtainable from the engraving house familiarly known as the

"STAFFORD SHOP"

and which has fairly earned the further descriptive title of "Best in the West." In this eight-page supplement we show a few examples of the results achieved by the artists and artisans of this establishment.

A STAFFORD VIGNETTE
(Halftone)

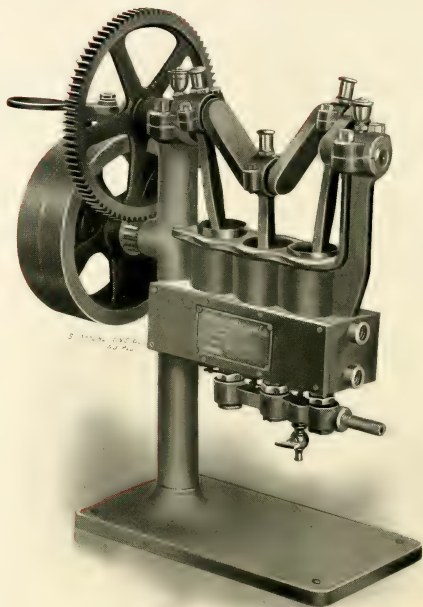

WHATEVER may be your need in the engraving line, we are prepared to supply it promptly, understandingly, and more satisfactorily than any establishment we know of. Our patrons tell us that there is no other engraving house like ours.

INDIANAPOLIS, U. S. A.

IN ALL AMERICA there are so few artists who are really adept at MECHANICAL DRAWING that you can almost count them on the fingers of your two hands. There are TWO of these specialists on the "Stafford staff" - - hence this special class of work constantly comes to us from every large manufacturing center in the country. And the "Stafford Shop" satisfies them all.

Detail is everything in the making of engravings. Take care of the detail and the general result will take care of itself. We don't skimp the little points that make your cuts count. Nothing is trivial at the "Stafford Shop."

These are specimens of our every-day work, yet they may be anything less than our best. The cuts shown on this double-page are - one from description, one from mechanic's rough sketch, one from the objects themselves; and one - the eagle - from the artist's imagination.

We had only the simple outline patent office drawing to work from.

WE RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS**. These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day of the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvasser that he has "no use for a Directory," that he "knows everybody," and, vice versa, "everybody knows him."

If you need a printed blank this morning, place in an envelope and mail to us. We will set it up in good style, read the proof, and DELIVER THE GOODS in a hurry. You will save your own time and money—for we have no solicitor on our payroll. 'Phone 1717, and we will send a boy for your copy.

WE RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS**. These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day of the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvasser that he has "no use for a Directory," that he "knows everybody," and, vice versa, "everybody knows him."

The Association of American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employees.

Second. To provide protection to the public against fraudulent advertising schemes which operate under the name of Directories, and to drive unprincipled promoters of the same out of the business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

\$100.00 Reward

Will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or fake directory.
